This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the EGM/AGM without restriction on account of first come first served basis.
- 4. The attendance of the Members attending the AGM/EGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.
- 5. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM/EGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM/EGM through VC/OAVM and cast their votes through e-voting.
- 6. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020, the Notice calling the AGM/EGM has been uploaded on the website of the Company at www.tirrihannah.co.in. The Notice can also be accessed from the websites of the Stock Exchanges i.e. Calcutta Stock Exchange Limited at www.cse-india.com respectively. The AGM/EGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM/EGM) i.e. www.evotingindia.com.
- 7. The AGM/EGM has been convened through VC/OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA Circular No. 14/2020 dated April 8, 2020 and MCA Circular No. 17/2020 dated April 13, 2020 and MCA Circular No. 20/2020 dated May 05, 2020 and by General Circular No. 02/2021 dated January 13, 2021 and by General Circular No. 19/2021 dated December 8, 2021 and 21/2021 dated December 14, 2021 and by General Circular No. 2/2022 dated May 5, 2022 and 10/2022 dated 28th December 2022
- 8. In continuation of this Ministry's General Circular No. 2/2022, dated 05th May, 2022 and after due examination, it has been decided to allow companies whose AGMs were due to be held in the year 2022, to conduct their AGMs on or before 31.12.2022, in accordance with the requirements provided in paragraphs 3 and 4 of the General Circular No. 2/2022 as per MCA circular no. 02/2022 dated May 5, 2022 and 10/2022 dated 28th December 2022.

# THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM/EGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on September 27, 2023 from 9.00 A.M. and ends on September 29, 2023 till 5.00 P.M. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of September 23, 2023 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020 and circular no. SEBI/HO/DDHS/DDHS\_Div2/P/CIR/2022/079 dated June 3, 2022, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e- voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

### ANNEXURE 'E'

The details of conservation of energy, technology absorption, foreign exchange earnings and outgo as required under Section 134 (3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014 for the year ended March 31,2023.

#### A) CONSERVATION OF ENERGY:

# (i) Steps taken or impact on for conservation of energy:

In addition to the existing measures being practiced, the following steps were taken:-

Energy conservation receives higher priority in the working of the Tea Estates with in-depth monitoring of various workstations. Up-gradation of machinery is carried out and as such new machinery installed is judged on fuel or power efficiency.

The Company has also taken necessary regulator energy saving measures to ensure beneficial use of energy. A new measure undertaken is incorporation of domestic metering system for controlled usage of electrical energy in the Estates of the company, to ensure measured use of the energy available whereby cost is minimized without affecting operations In addition to the existing measures being practiced, the following steps were taken:-

- i) Maintenance and overhauls of generators are strictly followed so as to enable high unit per liter delivery.
- ii) Monitoring the maximum demand and power load factor on daily basis is controlling power consumption.
- iii) For efficient utilization of available power, adequate power capacitors have been installed and optimum power factor is being maintained to avoid surcharge on power factor as well as to get maximum rebate on electricity bills.
- iv) Installation of energy efficient equipments, such as Compact Fluorescent Light Bulbs (CFLs) and Battery Charging Systems at all offices.
- v) Adoption of policy of having our heating and cooling equipment serviced regularly.
- vi) Education of work at the Head Office regarding use of various office equipments, especially computers in a manner that use less energy.

Tirrihannah Company Limited Annual Report and Financial Statements 2022-23

# MANAGEMENT DISCUSSION AND ANALYSIS REPORT

# Indian Tea Industries - an overview

#### **Business Overview**

Tata Global Beverages is a natural beverages Company with a heritage of innovations and development and aims to be the most admired good for our beverage brand in the world. With a presence in over 40 countries, your Company is globally the second largest branded player in the tea category with growing interests in coffee and water. The Company's key focus is to create magical beverage moments for our customers. We tend to achieve this objective through leveraging consumer insights by launching new and innovative products, expansion of our global footprint by entering new markets and through continuous investments to strengthen our branded portfolio.

# **Industry Structure**

# **Global Economic, Consumer and Competitor Trends**

The global economy continues to be uncertain and choppy, driven by political changes in many of the countries in which your Company operates. Implications of events such as Brexit, UK & US elections and the demonetisation in India would need to be closely monitored. Within this overall context, the economies of India and Southeast Asia appear to be growing. Outlook for US also seems to be positive but dependent upon the emerging policy stand of the US administration and the corresponding implications on the global economy.

While black tea market is growing in many of the markets in Asia with potential for further growth in the value added segments, there are declines in everyday black tea in certain developed markets. However, specialty tea categories, albeit small, are growing. Customers at different ends of the spectrum are showing varying behavioural trends in these markets. Whilst at one end, there are trends of consumers seeking better value, at the other end, consumers are seeking product choices which are shifting towards convenience, health & wellness and improving lifestyle.

We are also witnessing various new entrants in certain segments, including private label and regional players.

# **Commodity Trends**

#### Tea

During 2022-2023, the global crop position increased by 42 million kgs led by increases in North India and Kenya offset by lower crops in South India, Sri Lanka and Indonesia. Based on the increased production, we witnessed lower auction averages in Mombasa and for the plainer teas in North India. However, the premium teas in North India were dearer based on the demand and supply situation in the various tea growing districts. South India auction prices were dearer consequent to poor rainfall and availability.

#### Strategy

Our Company continues to constantly strive to meet these challenges even if current pandemic situation by strengthening its brands, category expansion, innovation and cost rationalization. Our Company closely tracks and gains insights into the changing consumer landscape and trends like change in lifestyle, premiumisation and the need for convenience.

Based on the economic scenario a few customer behavioral trends are emerging. Customers, especially in the international markets, are continuing to seek better value thereby increasing competitive intensity. The consumer product choices are increasingly shifting towards health, wellness and lifestyle. There is also a growing trend for more premiumised products of higher quality in many markets.

# **Prospects & Outlook**

Our Company's focus is on long term and sustained improvement, particularly in the plantation operations bearing in mind your Company's need to increase yields and productivity in its estates. For the purpose, it would be necessary to carry out several activities over the next few years under the initiative "Aatmanirbhar Bharat" by our government of India.

Further, pending modernization and renovation of factories and of infrastructural facilities within the estates also need to be expedited. To combat erosion of land due to overflow of rivers and consequential loss of tea bushes every year, substantial protective and preventive work with regard to flood protection need to be carried out. Keeping all such activities in mind, it is necessary to conserve liquidity and reinvest retained earnings which would ensure the long term benefit of your Company and its shareholders.

With sustained improvement in quality and yield, better value for its exports and prudent cost management, your Company continues to be optimistic of its long term future with improved operational efficiency and with what appears a promising market scenario, the overall outlook for the current year looks to be positive; however, the volume of crop harvested so far has been substantially lower than that of the previous year mainly due to adverse climatic conditions and restrictive usage of chemicals.

# **Future projects and Planning**

As the Shareholders are aware the tea industry has never been stable. The pattern shows that the industry is absolutely CYCLIC. If there is a good phase of a few years it is always followed by a bad phase.

The industry is extremely dependent on environment and hence is very uncertain. In the pretext of "Global warming" and the cyclic Nature of the Tea Industries there is an urgent necessity to set up a venture which would support and strengthen then Tea Industry.

# **Segment Analysis and Review**

The company is engaged in one segment only that is the manufacturing of tea.

# **Opportunity & Threats**

As a consumer focused 'brands' company, in India, we now focus on competitive, effective customer relationship management, keen consumer insight tracking and commercialization of opportunities as key drivers for growth. In our existing brand, we constantly track and anticipate the evolving taste and delivery needs of our consumers and customers. Our key communication and relationship building measures are funded and tracked to ensure brand equity build up in consumer minds. Your company continues to produces well made quality teas consistently. Indian tea exports were susceptible to the financial meltdown and to that extent a slowdown was inevitable.

Threats are weather related which are not in control of the Industry. Nonetheless the adverse effects of draught, floods and hails can be minimized through good and careful agricultural practices.

Other threats to our business could arise from strong competitor activity, high commodity volatility or dilution of margins due to multiple reasons. The decline of the black tea market in specific countries is also a potential threat.

#### **Outlook**

Dry weather conditions in India as compared to favourable weather conditions during the same period last year is likely to see lower production as compared to the record production last year during the fast half of the year. Tea prices in India for the new season teas have open higher by 5 to 10% as compared to last year prices in likely to remain firm during the year mainly due to stagnant production, lower inventry level and strong consumption growth.

# **Risks and Concerns**

Tea Industry is an agricultural industry and its performance is dependent on vagaries of nature. The industry is highly labour intensive and is subject to strength of labour laws. Comparatively high labour cost, high infrastructure cost and increasing energy and other input cost remain major problem of tea industry. Shortage of labour during the peak seasons is also causes for concern.

The risks of swift changes in commodity prices or rapid currency rate fluctuations remain, and your Company's management is constantly watchful for the same. These could cause significant inflation in commodity input costs, thereby leading to dilution of margins and earnings, which could in turn limit our scope to innovate, invest and expand.

# **Risk Management**

Risk is integral to virtually all business activities, though in varying degrees and forms. At Tirrihannah, risk management ensures that risks are adequately measured, estimated and controlled to enhance shareholders value. Irrespective of the type of risk or the activity that creates it, the Company's fundamental approach to risk management remains the same:

#### Financial risks

Company has established a risk management strategy that comprise reasonable use of derivative and non-derivative financial instruments primarily to manage its exposure to market risks resulting from adverse fluctuations in material prices, interest rates and foreign currency rates.

# **Business risks**

Lower volumes and prices in the domestic and global markets will have an impact on the Company's revenues and profits. However, the management is cautiously optimistic about the likely recovery in the global infrastructure industry with arising of supply side pressures, increased focus on sales into various domestic market. The Company's focus on cost reduction, which has yielded positive results, will be the critical factor in mitigating margin pressures.

# **Technology risks**

Product obsolescence risks are inherent in the business and the management continues to accord high priority to in-house research and development in order to ensure new product development as per evolving needs in the industry, technical enhancements and quality improvements of existing product offerings.

### **Internal Control System**

The Company has a well established internal control framework covering all functional areas. It includes internal audits, independent review of control system by statutory auditors, review mechanism by Audit Committee and periodic review by the management.

Currently all the operations of the company are carried out in conformity with the defined process. The Company also has policy of periodic audits and reviews of all business activities viz. purchase, stores, marketing, personnel, production, maintenance, finance and accounts. The internal auditors periodically interact with the Audit Committee of the Board to discuss the terms of reference and frequency of audit, significant audit observations and their disposals and remedies if any.

The Audit Committee of the Board reviews internal audit observations and puts suggestion for corrective action for implementation. The Company's internal control systems and its effectiveness are also verified periodically by the Statutory Auditors and reported to the Audit Committee of the Board. Corrective actions where ever found appropriate are taken on a

# **Safety**

The company has continued to scale up safety performance at all locations. Safety measures have been strengthened and employees are being trained to think on hazards/risks associated with their job. Systems have been established to make employees responsible and accountable for safety. Good safety performance is being rewarded. While Safety has been included as a corporate value, the main objective is to achieve better standard of safety in the shortest possible time.

# **Operations' Performance**

#### Turn Over

Gross Turnover for the year 2023 was Rs. 20.93 Crores. Our company continues with its focus on quality on its strife to cater to quality conscious markets for both Orthodox and CTC tea. Our Company has initiated steps to explore new markets in addition to developing existing ones.

# Quality

Our Company continues to concentrate on quality, the strict adherence to this policy continuing to benefit your company in price realizations.

Our Directors continue to recognize the attributes of Tea as a Health Drink.

#### **Accounts and Finance**

The financial statements have been prepared in compliance with the requirements of the Companies Act, 2013 and Generally Accepted Accounting Principles (GAPP) in India. The

Management of Tirrihannah Company Limited accepts responsibility for the integrity and objectivity of these financial statements, as well as for various estimates and judgments used therein. The estimates and judgments relating to the financial statements have been made on a prudent and reasonable basis, in order that the financial statements reflect in a true and fair manner the form and substance of transactions and reasonably present the company's state of affairs and profits for the year.

#### **Financial Management**

Senior management reviews the requirement of funds for the working capital and future projects. After accessing the financial market, decision are taken to identify the lenders. A part of fund requirement is arranged by way of borrowing from banks on competitive terms and balance is met from internal accrual. During the year all the finance commitment were met in time. Liquidity throughout the year was comfortable. The Company has no unpaid or unclaimed deposit at the end of the year. The financial performance of the Company has been enumerated separately in the Accounts for the year ended March 31, 2023.

# **Innovation and Modernization:**

Innovation, expansion and modernization are of course integral to corporate success. This has meant ongoing research into production systems and processing methods to enhance the quality of the products for consumers. Managers have deployed modern agricultural practices, using the latest scientific methodology and technology with a long-term perspective to improve planting, cultivating and manufacturing.

# **Research and Development a Priority:**

A research and development focus has provided strong scientific support to the group's quantitative growth with continuing enhancement in the quality of the product. The research and development policy keeps the group's long-term interests in view and believes in anticipating the needs of the future. It is committed to modernization and encourages it in every field. The group plans to give in house training to its worker in order to improve plucking and pruning operations.

#### **Human Resources**

More than most others, the group understands and lives by the principle that in the final analysis, the quality of tea will always be an eloquent testimony to the well-being and efforts of those associated with its production. With this in view, over the years, the group has consciously associated itself with the life and problems of its employees and the contiguous communities by utilizing its resources, skills and talent to the development of human resources.

Company is committed to the welfare of its people and their families and to improve the quality of their life by providing the required facilities.

# **Core Values and Culture:**

Corporate success is based on certain core values and corporate culture developed by the Company. Underlying this is a firm belief that teamwork and motivation rooted in fairness are the key to success in business. The group sets benchmarks for itself in these areas and strives to achieve them, believing in seeking the active participation of everyone in decision-making rather than relying on the imposition of central diktats. Quality, productivity and optimal utilization of resources, human and materials, woven around the concept of the welfare of the community as a whole is central to the management's philosophy.

# **Cautionary Statement**

Statements in the Management Discussion and Analysis describing the Company's objectives, projections, estimates, and expectations may be 'forward looking statements' within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws, certain resumptions on which estimates are based and other incidental factors.

# **Conclusion**

Your Company is very conscious that it operates in a highly challenging and dynamic environment, where realities vary between place to place. We believe that the best way to navigate this environment is by constructing a robust strategy that puts consumer needs first, and thereafter focusing on sharp execution of that strategy. You will be happy to note that we have acted on both these priorities - robust strategy and perfect execution - and we believe that this will constitute a winning combination that, alongwith passion and commitment, will make us the finest natural beverages company on this planet.

# Board membership criteria

The nomination and remuneration committee works with the entire Board to determine the appropriate characteristics, skills and experience required for the Board as a whole and for individual members. Members are expected to possess the required qualifications, integrity, expertise and experience for the position. They should also possess deep expertise and insights in sectors/areas relevant to the Company, and ability to contribute to the Company's growth. The Board members are expected to rigorously prepare for, attend and participate in all board and applicable committee meetings. Each member is expected to ensure that their other current and planned future commitments do not materially interfere with their responsibilities with us.

#### Directors' Induction and Selection of new directors

The provision of an appropriate induction programme for new Directors and ongoing training for existing Directors is a major contributor to the maintenance of high Corporate Governance standards of the Company. The Whole Time Director & CFO and the Company Secretary are jointly responsible for ensuring such induction. The Board is responsible for the selection of new directors. The Board delegates the screening and selection process to the nomination and remuneration committee, which consists exclusively of independent directors. The nomination and remuneration committee makes recommendations to the Board on the induction of new directors. After getting appointed, the Directors receive a formal letter of appointment which inter alia explains the role, functions, duties and responsibilities expected from him as a Director of the Company. The Director is also explained in detail the compliances required to be made under the Companies Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as "SEBI Regulations, 2015") and other relevant regulations.

# Familiarization programme for Board Members

The Company believes that the Board be continuously empowered with the knowledge of the latest developments in the Company's business and the external environment affecting the industry as a Whole. To this end, The Board members were given presentations on the global business environment, as well as all business areas of the Company including business strategy, risks opportunities, they are also provided with necessary documents/brochures, reports and internal policies to enable them to familiarize with the Company's procedures and practices. The management provides such information and training either at the meeting of Board of Directors or otherwise

Quarterly updates on relevant statutory changes and landmark judicial pronouncements encompassing important laws are regularly circulated to the Directors. Site visits to Garden are organized for the Directors to enable them to understand the operations of the Company.

The Details of such Familiarizations Programmer for Directors are available at the registered office of the company.

# Membership term

The Board constantly evaluates the contribution of the members and periodically shares updates with the shareholders about re-appointment consistent with applicable status. The current law in India mandates the retirements of two-third of the total non-independent directors (who are liable to retire by rotation) every year, and qualifies the retiring members for re-appointment. Executive directors are appointed by the shareholder for a maximum period of five years, but are eligible for re-appointment upon completion of their term. An independent director shall hold office of a term of up to five consecutive years on the Board of the Company and will be eligible for re-appointment on the passing of a special resolution by the Company.

#### Performance evaluation

In compliance with the Section 134(3) (p) and Section 178 (2) of the Companies Act, 2013 read with Regulation 17 (10), 19 (4) and Part D of Schedule II of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company has devised a Policy for performance evaluation of Independent Directors, Board, Committees and other individual Directors which includes criteria for performance evaluation of the non-executive directors and executive directors and the policy has been approved by the Nomination and Remuneration Committee.

The Board carried out an annual performance evaluation of its own performance, the Independent Directors individually as well as the evaluation of the working of the Committees of the Board. The performance evaluation of all the Directors was carried out by the Nomination and Remuneration Committee. The performance evaluation of the Non-Independent Directors was carried out by the Independent Directors.

The purpose of the Board evaluation is to achieve persistent and consistent improvement in the Governance of the Company at the Board level with the participation of all concerned in an environment of harmony. The Board acknowledges its intention to establish and follow "best practices" in Board governance in order to fulfill its fiduciary obligation to the Company. The Board believes the evaluation will lead to a closer working relationship among the Board members, greater efficiency in the use of the Board's time and increased effectiveness of the Board as a governing body.

A structured questionnaire was prepared after taking into consideration inputs received from the Directors, covering various aspects of the Board's functioning such as adequacy of the composition of the Board and its Committees, Board culture, execution and performance of specific duties, obligations and governance. A separate exercise was carried out to evaluate the performance of individual Directors including the Managing Director of the Board, who were evaluated on parameters such as level of engagement and contribution, independence of judgement, safeguarding the interest of the Company and its minority shareholders etc.

# **INDEPENDENT DIRECTORS**

#### Definition

The Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 defines an 'Independent Director' as a person who is not a promoter or employee or one of the Key Managerial Personnel of the Company or its subsidiaries. The Laws also state that the person should not have a material pecuniary relationship or transactions with the Company or its subsidiaries, apart from receiving remuneration as an independent director. We abide by these definitions of Independent director.

# **Selection of Independent Directors**

Considering the requirement of skill sets on the Board, eminent people having an independent standing in their respective field/profession, and who can effectively contribute to the Company's business and policy decisions are considered by the Nomination and Remuneration Committee, for appointment, as Independent Directors on the Board. The Committee, inter alia, considers qualification, positive attributes, area of expertise and number of Directorships and Memberships held in various committees of other companies by such persons in accordance with the Company's Policy for Selection of Directors and determining Directors' independence. The Board considers the Committee's recommendation, and takes appropriate decision. Every Independent Director, at the first meeting of the Board in which he participates as a Director and thereafter at the first meeting of the Board in every financial year, gives a declaration that he meets the criteria of independence as provided under law.

A statement, in connection with fulfilling the criteria of independence and directorships as per the requirement of the provisions of the Companies Act, 2013 ("the Act") and the Regulation 25 of SEBI LODR received from each of the Independent Directors, is disclosed in the Board's Report. Your Company had also issued formal appointment letters to all the Independent Directors in the manner provided under the Act. Terms and conditions for appointment of Independent Directors are available at the registered office of the Company.

The Lead Independent Director's role is as follows:

- To preside over all meetings of Independent Directors

#### INDEPENDENT AUDITOR'S REPORT

The Members of Tirrihannah Co. Ltd

Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the financial statements of Tirrihannah Co. Ltd ("the company"), which comprises the Balance Sheet as at March 31, 2023, and the Statement of Profit & Loss for the year then ended 31st March 2023 and Cash Flow Statement for the year ended and notes to the financial statements including a summary of significant accounting policies & other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the act read with the companies accounting standard rules 2015 and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and Total Comprehensive Income, Change in Equity and its Cash Flows for the year ended on that date.

#### **Basis for Opinion**

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

#### Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors are responsible for preparation and presentation of its report (herein after called as "Board Report") which comprises various information required under section 134(3) of the Companies Act'2013 but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the Board Report and we do not express any form of assurance conclusion thereon.

In connection with our audit of financial statements, our responsibility is to read the Board Report and in doing so, consider whether the Board Report is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If based on the work we have performed, we conclude that there is a material misstatement in this Board Report; we are required to report the fact. We have nothing to report in this regard.

## Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the company's financial reporting process.

## Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Our responsibility is to express an opinion on these IND AS standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements, the procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

A further description of our responsibilities for the audit of the financial statements is included in Appendix 1 of this auditor's report. This description, which is located at page no-6, forms part of our auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

#### As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Comprehensive Income, Statement of Changes in Equity and the Cash Flow dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Ind AS standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.

- f) Report on the Internal Financial Controls Clause (i) of Sub Section-3 of Section 143 of the Companies Act, 2013("the Act") in enclosed as Annexure B to this Report.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would impact its financial position.
- ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
- iv) (a) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The management has represented, that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on audit procedures which we considered reasonable and appropriate in the circumstances, nothing has come to their notice that has caused them to believe that the representations under sub-clause (i) and (ii) contain any material misstatement.
- (v) The company has not declared dividend during the year which is not in contravention of the provisions of section 123 of the Companies Act, 2013.\_\_\_

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

# ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF TIRRIHANNAH COMPANY LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of ('the Company') as of 31-03-2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date. Management's Responsibility for Internal Financial Controls.

The Company's management is responsible for establishing and maintaining Internal Financial Controls. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

## Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance 168 Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence 1/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

# Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

# Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2023

# Notes to the Financial Statements

## 1. CORPORATE INFORMATION

Tirrihannah Co Ltd (the Company) a public limited company engaged primarily in the business of manufacturing and sale of tea. The Company is a Public Limited Company incorporated and domiciled in India and has its registered office at 5, Kiran Shankar Roy Road, Kolkata – 700001.

# 2. SIGNIFICANT ACCOUNTING POLICIES

## a) Statement of compliance

These financial statements have been prepared in accordance with Ind AS as notified under the Companies (Indian Accounting Standards) Rules, 2015 read with Section 133 of the Companies Act, 2013 (the "Act").

## b) Basis of preparation

The financial statements have been prepared on historical cost basis.

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('IndAS'), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.

Company's financial statements are presented in Indian Rupees (INR), which is its functional currency.

# c) Summary of Significant AccountingPolicies

## (i) Current and Non-Current Classification

The Company presents assets and liabilities in the Balance Sheet based on Current/ Non-Current classification.

# An asset is treated as Current when it is -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;

- Held primarily for the purpose of trading;

- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

-All other assets are classified as non-current.

## A liability is current when-

-It is expected to be settled in normal operating cycle;

- It is held primarily for the purpose of trading;

- It is due to be settled within twelve months after the reporting period, or

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

- The Company classifies all other liabilities as non-current.

- Deferred tax assets and liabilities are classified as non-current assets and liabilities.

## (ii) Property Plant and Equipment:

Property, Plant and Equipmentis carried at historical cost. All other items of Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and arrangements arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow the entity and the cost can be measured reliably.

# Depreciation methods, estimated useful lives and residual values

Depreciation on Property, Plant and Equipment is provided using straight line method. Depreciation is provided based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

## De-recognition

Gains or losses arising from de-recognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

#### (iii) Leases

The Company, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Company has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of thelease liability. The right-of-use Assetsis depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease payments are discounted using

the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses incremental borrowing rate.

For short-term and low value leases, the Company recognises the lease payments as an operating expense on a straight-line basis over the lease term.

#### (iv) Intangible Assets

Intangible Assets are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortisation/depletion and impairment losses, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the Intangible Assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Other Indirect Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre-operative expenses and disclosed under Intangible Assets under Development.

Gains or losses arising from de-recognition of an Intangible Asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised. The Company's intangible asset comprises assets with finite useful life which are amortised on a straight-line basis over the period of their expected useful life.

## (v) Investment properties

## Recognition and initial measurement

Investment properties are properties held to earn rentals or for capital appreciation, or both. Investment properties are measured initially at their cost of acquisition including transaction costs. On transition to Ind AS, the company had elected to measure all of its investment properties at the previous GAAP carrying value (deemed cost). The cost comprises purchase price, borrowing cost, if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discount and rebates are deducted in arriving at the purchase price. When significant parts of the investment property are required to be replaced at intervals, the company depreciates them separately based on their specific useful lives.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company. All other repair and maintenance costs are recognised in statement of profit and loss as incurred.

The cost includes the cost of replacing parts and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of the investment property are required to be replaced at intervals, the company depreciates them separately based on MPA

their specific useful lives. All other repair and maintenance costs are recognised in profit or loss as incurred.

Transfers are made to (or from) investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the carrying value at the date of change in use.

## Subsequent measurement (depreciation and useful lives)

Investment properties are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Depreciation on investment properties is provided on the straight line method, over the useful lives of the assets.

The residual values, useful lives and method of depreciation are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

Though the company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on an annual evaluation performed by an accredited external independent valuer applying a valuation model acceptable internationally.

### De-recognition

Investment properties are de-recognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period of de-recognition.

## (vi) Cash and Cash Equivalents

Cash and cash equivalents comprise of cash on hand, cash at banks, short-term deposits and short-term, highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### (vii) Finance Costs

Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

#### (viii) Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition. Cost of finished goods, work-in-progress, raw materials, chemicals, stores and spares, packing materials, trading and other products are determined on weighted average basis.

# (ix) Impairment of Non-Financial Assets - Properly, Plant and Equipment and Intangible Assets

The Company assesses at each reporting date as to whether there is any indication that any Property, Plant and Equipment and Intangible Assets or group of Assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists, the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

#### (x) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

## Provision for Decommissioning Liability

The Company records a provision for decommissioning costs towards site restoration activity. Decommissioning costs are provided at the present value of future expenditure using a current pre-tax rate expected to be incurred to fulfil decommissioning obligations and are recognised as part of the cost of the underlying assets. Any change in the present value of the expenditure, other than unwinding of discount on the provision, is reflected as adjustment to the provision and the corresponding asset. The change in the provision due to the unwinding of discount is recognised in the Statement of Profit and Loss.

#### (xi) Contingent Liabilities

Disclosure of contingent liability is made when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources embodying economic benefits will be required to settle or a reliable estimate of amount cannot be made.

## (xii) Employee Benefits Expense

#### Short-Term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

#### Post-Employment Benefits

#### **Defined Contribution Plans**

The Company recognises contribution payable to the provident fund scheme as an expense, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to the extent that the pre-payment will lead to a reduction in future payment or a cash refund.

#### Defined Benefit Plans

The Company pays gratuity to the employees who have completed five years of service with the Company at the time of resignation/ superannuation. The gratuity is paid @15 days basic salary for every completed year of service as per the Payment of Gratuity Act, 1972. The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective Income Tax authorities. The liability in respect of gratuity and other postemployment benefits is calculated using the Projected Unit Credit Method the period during which the benefit is expected to be derived from employees' services.

Remeasurement gains and losses arising from adjustments and changes in actuarial assumptions are recognised in the period in which they occur in Other Comprehensive Income.

Employee Separation Costs: The Company recognises the employee separation cost when the scheme is announced, and the Company is demonstrably committed to it.

(xiii) Tax Expenses

The tax expenses for the period comprises of current tax and deferred income tax. Tax is recognised in Statement of Profit and Loss, except to the extent that it relates to items recognised in the Other Comprehensive Income. In which case, the tax is also recognised in Other Comprehensive Income.

#### a) Current Tax

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the Income Tax authorities, based on tax rates and laws that are enacted at the Balance sheet date.

#### b) Deferred Tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax base used in the computation of taxable profit.

Deferred tax assets are recognised to the extent it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilised. Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

#### (xiv) Share Based Payments

Equity-settled share based payments to employees and others providing similar services are measured at the fair value of the equity instruments at the grant date.

The fair value determined at the grant date of the equity-settled share based payments is expensed on a straight-line basis over the vesting period, based on the Company's estimate of equity instruments that will eventually vest, with a corresponding increase in equity. At the end of each reporting period, the Company revises its estimate of the number of equity instruments expected to vest. The impact of the revision of the original estimates, if any, is recognised in Statement of Profit and Loss such that the cumulative expenses reflects the revised estimate, with a corresponding adjustment to the Share Based Payments Reserve. The dilutive effect of outstanding options is reflected as additional share dilution in the computation of diluted earnings per share. In case of equity-settled share-based payment transactions, where the Company grants stock options to the employees of its subsidiaries, the transactions are accounted by increasing the cost of investment in subsidiary with a corresponding credit in the equity.

## (xv) Foreign Currencies Transactions and Translation

Transactions in foreign currencies are recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date. Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are recognised.

as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets which are capitalised as cost of assets. Additionally, exchange gains or losses on foreign currency borrowings taken prior to April 1, 2016 which are related to the acquisition or construction of qualifying assets are adjusted in the carrying cost of such assets.

Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e. translation differences on items whose fair value gain or loss is recognised in Other Comprehensive Income or Statement of Profit and Loss, respectively).

In case of an asset, expense or income where a non-monetary advance is paid/received, the date of transaction is the date on which the advance was initially recognised. If there were multiple payments or receipts in advance, multiple dates of transactions are determined for each payment or receipt of advance consideration.

## (xvi) Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration entitled in exchange for those goods or services. The Company is generally the principal as it typically controls the goods or services before transferring them to the customer.

Revenue from rendering of services is recognised over time by measuring the progress towards complete satisfaction of performance obligations at the reporting period.

Revenue is measured at the amount of consideration which the Company expects to be entitled to in exchange for transferring distinct goods or services to a customer as specified in the contract, excluding amounts collected on behalf of third parties (for example taxes and duties collected on behalf of the government). Consideration is generally due upon satisfaction of performance obligations and a receivable is recognised when it becomes unconditional. Generally, the credit period varies between 0-60 days from the services as the case may be. The Company provides volume rebates to certain customers once the quantity of products purchased during the period exceeds a threshold specified and also accrues discounts to certain customers based on customary business practices which are derived on the basis of crude price volatility and various market demands – supply situations. Consideration is determined based on its most likely amount. Generally, sales of petroleum products contain provisional pricing features where revenue is initially recognised based on provisional price.

Difference between final settlement price and provisional price is recognised subsequently. The Company does not adjust short-term advances received from the customer for the effects of significant financing component if it is expected at the contract inception that the promised good or service will be transferred to the customer within a period of one year.

#### **Contract Balances**

#### Trade Receivables

A receivable represents the Company's right to an amount of consideration that is unconditional.

#### **Contract Liabilities**

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due (whichever is earlier).

Contract liabilities are recognised as revenue when the Company performs under the contract.

#### Interest Income

Interest Income from a Financial Assets is recognised using effective interest rate method.

#### Dividend Income

Dividend Income is recognised when the Company's right to receive the amount has been established.

#### (xvii) Financial Instruments

#### A) Financial Assets

## Initial Recognition and Measurement

All Financial Assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition or issue of Financial Assets, which are not at Fair Value through Profit or Loss, are adjusted to the fair value on initial recognition. Purchase and sale of Financial Assets are recognised using trade date accounting.

#### Subsequent Measurement

## a) Financial Assets measured at Amortised Cost (AC)

A Financial Asset is measured at Amortised Cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the Financial Asset give rise to cash flows on specified dates that represent solely payments of principal and interest on the principal amount outstanding.

b) Financial Assets measured at Fair Value Through Other Comprehensive Income (FVTOCI)

A Financial Asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling Financial Assets and the contractual terms of the Financial Asset give rise on specified dates to cash flows that represents solely payments of principal and interest on the principal amount outstanding.

## c) Financial Assets measured at Fair Value Through Profit or Loss (FVTPL)

A Financial Asset which is not classified in any of the above categories are measured at FVTPL. Financial assets are reclassified subsequent to their recognition, if the Company changes its business model for managing those financial assets. Changes in business model are made and applied prospectively from the reclassification date which is the first day of immediately next reporting period following the changes in business model in accordance with principles laid down under Ind AS 109 – Financial Instruments.

### Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'. However, dividend on such equity investments are recognised in Statement of Profit and loss when the Company's right to receive payment is established.

#### Impairment of Financial Assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of Financial Assets other than those measured at Fair Value Through Profit and Loss (FVTPL).

# Expected Credit Losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

For Trade Receivables the Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

### B) Financial Liabilities

## Initial Recognition and Measurement

All Financial Liabilities are recognised at fair value and in case of borrowings, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

### Subsequent Measurement

Financial Liabilities are carried at amortised cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

## C)Derecognition of Financial Instruments

The Company derecognises a Financial Asset when the contractual rights to the cash flows from the Financial Asset expire or it transfers the Financial Asset and the transfer qualifies for derecognition under Ind AS 109. A Financial liability (or a part of a Financial liability) is derecognised from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

#### D) Offsetting

Financial Assets and Financial Liabilities are offset and the net amount is presented in the balance sheet when, and only when, the Company has a legally enforceable right to set off the amount and it intends, either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

## (xviii) Non-current Assets held for Sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and sale is considered highly probable.

A sale is considered as highly probable when decision has been made to sell, assets are available for immediate sale in its present condition, assets are being actively marketed and sale has been agreed or is expected to be concluded within 12 months of the date of classification.

Non-current assets held for sale are neither depreciated nor amortised.

Assets and liabilities classified as held for sale are measured at the lower of their carrying amount and fair value less cost of sale and are presented separately in the Balance Sheet.

## (xix) Earnings Per Share

Basic earnings per share is calculated by dividing the net profit after tax by the weighted average number of equity shares outstanding during the year adjusted for bonus element in equity share. Diluted earnings per share adjusts the figures used in determination of basic earnings per share to take into account the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as at the beginning of the period unless issued at a later date.

#### (xx) Fair Value

The Company maintains policies and procedures to value financial assets or financial liabilities using the best and most relevant data available. In addition, the Company internally reviews valuation, including independent price validation for certain instruments.

The fair value of financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between the market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- a) Cash and short term deposits, trade receivables, trade payables, and other current financial assets and liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.
- b) Long Term receivables/borrowings are evaluated by the Company based on the parameters such as interest rates, credit risks and other risks characteristics.

### Fair Value hierarchy

The following provides the fair value measurement hierarchy of Company's asset and liabilities, grouped into Level 1 to Level 3 as described below:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.
